SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!

What a pleasure it was to see Monica Sweetheart again in your last issue. She has always been a favorite of my wife and myself. As a matter of fact, we would have videos of her in the background in our bedroom as we fucked. Oftentimes we would mimic her positions and actions in our lovemaking. Except for all the anal. While my wife does enjoy anal, she doesn't do it as long as Monica does in her sex scenes. We loved the video that came along with her layout and even brought out our vibrators and buzzed along with her. Our vibes were a few years old so we went to the toys website in the issue and actually bought a couple new vibes, and a large flesh colored dildo for the wife. Can't wait to use them!

— Jordan, Philly

Okay guys and gals, you've completely made my day, night and even a couple days into next week with two amazingly lovely ladies. Krystal and Sophia and sex personified, or at least, lesbian sex personified. Beautiful ladies, beautiful boobies, beautiful butts, and beautiful bodies. The photography is so crisp and clear, it seems like I'm watching them out my window (man, if only I was). Now I don't want to keep gushing about these two, so I'll add that I thought the rest of the issue was worth every penny I spent on it. Call me old school because I like magazines (I like the internet also for my porn), because they are immediate, always handy, don't have to get out a computer to view it (phones are too small for my viewing pleasure). Any, thanks again.

PICKING UP THE HOTTEST CHICK AT THE ANNUAL COMPANY PICNIC

I've never been a proponent of dating women from the office, and have even discouraged new employees away from doing it. But you know, sometimes that is a very difficult thing to do, especially when Tracey is that woman.

I just had to write because I bagged my first twenty-something last night. I was at our company picnic that was being held at a large local park. The weather was nice and there was a huge turnout. I had only been working at the company for a year since my transfer from Pittsburgh. So many faces were still new to me.

One of them was this hottie named Tracey. She was sitting at one of the picnic tables eating some potato salad and there was an open seat next to her so I asked if I could sit. The table had another six people sitting and the noise level was quite loud. I introduced myself to the people around me and to Tracey. She said hello and little else for several minutes.

I tried to get a conversation going with some short questions, where did she work, how long, did she like it. Her answers were short but very polite. She also asked about me and I told her. After a half hour or so, the table cleared and Tracey and I were the only ones left. I asked if I could sit opposite her and continue our conversation. She said fine and we talked away the afternoon. I found her fun, vibrant, full of things to say about the company, some good some bad. And married.

Turns out she was a departmental manager with twenty staffers under her. I told her I was in marketing and hoped to stay a long time. As the day wore down we went on our own ways but at the end of the day as we all gathered for a little pep rally from the bosses, she came up and stood beside me. We said 'Hi.' again, and she asked if I wanted to get a drink after the picnic. "Just the two of us?" I asked. "Just us." she replied.

This hottie just asked me out? I can't wait. Truth to be told she is really hot. Later we met at a local bar/

restaurant and had dinner and drinks. We laughed throughout it and I became more and more infatuated with her. Her eyes were mesmerizing and her body was killer. As the night wore down the conversation got hotter and more suggestive. She said her husband had moved out a month ago to be with another man and she hadn't quite recovered from the shock. Suddenly, she asked if I would come home with her and after initially refusing, I thought better and said 'yes.'

We went to her home and it was very nice, like an interior designer had worked on it. We wasted little time getting it on. The dinner conversation and a few extra drinks made us ready for this. She went to her bathroom to get comfortable and she told me to strip down and sit on the bed. I covered myself quickly with a pillow. My cock was very hard and I was a little embarrassed. She came out of the bathroom, naked.

Wow, did she look good, lingering drops of water still dripping down her smooth skin. Her breasts were full, but the darkness of the room made it difficult to make out any more detail. Before I could get a better look, she came over, flung the pillow off me and took my dick in her hand, bent down, looked at it hungrily, and licked the tip of it.

As the head of my dick disappeared into her mouth, she surrounded it with her warm lips. As soon as she began to suck on my cock all the nervousness just fell away. Turns out she was a really good cock-sucker. She slid her hand under my balls and gently began massaging them back and forth as she sucked on me. Her tongue went right to work on my sex and I closed my eyes taking it all in.

I stopped her and sat up. I then moved on top of her, skin to skin. She opened her legs and I got between them. Her nipples were nice and very hard and, as my cock nudged her pussy, I could feel she was bare and smooth down there. I kissed her lips and then kissed and licked my way down her neck and chest to her hard nipples. I took each one, in

turn, into my mouth as I licked, nibbled, chewed, bit and sucked on them as hard as she could take it. All this time she was squirming below me and my dick was knocking on her love hole.

She moaned out loud pushing my head south and on to her now soaking pussy. I kissed and licked my way down to that lovely pussy of hers. As I slid my hand over her wet pussy, she thrust her pussy at it. She was like a wanton woman by the time I got two fingers deep inside her. I strummed her clit with the fingers of my other hand. Soon she was right at the edge of no return and begged for me to suck on her clit and make her cum, which I obligingly did. She squirted a little, which was a bit of a surprise for my, but she loved it and that's all that matters.

Thankfully the next day was the fourth and we stayed in bed all day, fucking another two or three times before I had to go home. At work we would see each other passing in hallways and always smiled. It's two months later and while we haven't reunited, I'm sure we will. Or maybe not.

Monique Alexander

Us: Hi Monique, Thanks so much for meeting us at this coffee shop. How've you been?

Monique: Great! Thanks.... busy, busy, busy.

Us: I know, I've been seeing your beautiful face and body around much, much more since our last visit with you.

Monique: I've got a new agent so... things have changed a lot for me. *(we both chuckle)*

Us: So tell me about this beautiful lacy thing I see under your denim jacket?

Monique: I love lingerie, it makes me feel sexy and naughty at the same time.

Us: That looks quite expensive. Do you spend a lot of money on lingerie?

Monique: I do. I think of it as an investment. If a piece looks good on me and is comfortable, I'll buy it, no matter what the price is *(pauses and inhales)*... because when I'm in a sex scene and I know I look good, I'm gonna give 'em the best scene that I can. *(smiles)*

Us: What's your favorite style of lingerie?

Monique: I like almost everything. All styles. I think I look good in mostly every style of lingerie. Well, I probably won't buy a negligee, 'cause that's kinda old ladyish. *(we both laugh)*

Wishful Thinking

Monique Alexander

Us: When your out shopping for lingerie, to you go by yourself or take a friend?

Monique: I usually go by myself but.... Once I was with my makeup artist named Lisa and we were at a lingerie shop in Hollywood. I stepped out of the dressing room to ask her opinion of this leather bustier I had tried on. Lisa took one look at me and started kissing me. She then backed me up back into the dressing room and closed the door. She kissed and nibbled on my neck and lifted up her sweater. Her nipples were rock hard. Lisa undid the leather bustier I was trying on and whispered "You look good in everything!" Well, that really got me going. I kissed and sucked on her nipples. We were both breathing heavily and trying to stay quiet. She hugged me around my waist and ran her hands up and down the outside of my of yoga pants, squeezing my ass and pulling my body into hers. *Should I go on? I'm starting to blush – a lot.*

Us: Oh yes, please go on. I'm starting to get... Uh, go on. And please do not skimp on the details.

Monique: Okay, but remember, you are the one that asked... I unzipped her denim skirt and pushed it down her hips and let it fall to the dressing room floor. As

Lisa stepped out of her skirt, I pushed her against the mirror, squatted down and lifted up her leg. I saw her use the door handle as a foot rest. While on my knees, I sucked her pussy through her cotton panties. She pulled my head firmly into her pussy encouraging me to keep it going. She moved her soaking wet panties to the side and I went to town on her small clit and meaty labias. I looked up at her face and she was in ecstasy. I sucked harder and stuck my tongue deep into the pussy and felt her body twitch and convulse with a muffled orgasm.

Us: Wow! Had you two been together – sexually before?

Monique: No!! That's what was so surprising to me. When you look at her, you think..... librarian, not sex fiend! She really surprised me, but we both loved it – a lot. *(both laugh)*

Us: I guess Lisa really liked that bustier on you.

Monique: Yep! Bought one for me and one for her.

Us: So that was a great day – for the two of you?

Monique: Absolutely!! There's nothing I love more than getting unexpected pussy. *(we both break out laughing).*
